

Shaw Moisture Meters Ltd.

Quality Policy

It is the policy of Shaw Moisture Meters Ltd to provide products and services to Customer expectations which meet the Company's goals and stated customer expectations and needs. To control the processes for doing so a Business Management System is maintained which conforms to the requirements of BS EN ISO 9001:2015, ISO/ IEC 80079-34 EDITION 2.0, ATEX Directive 2014/34/EU, UL 913, CSA C22.2

Measurable business objectives are communicated within the organisation, and reviewed regularly as part of the Management Review and the Improvement Process. The output from reviews is used to facilitate continual improvement of the Business Management System.

Staff are trained and made aware of the need for commitment to company policy and objectives, while Senior Management provides the necessary resources to achieve these goals in its commitment to the continued improvement of its business processes and maintain excellent levels of customer satisfaction
